

OpenTote Product Summary

Available Pools and Takeout Rates

The following pools and products are available on the OpenTote network. While every effort has been made to ensure the accuracy of this information, race statistics and gross takeout rates are given as a guidance only and may change from time to time. You are advised to check takeout rates with the pool host or representative before entering any commercial agreement regarding wagering into these pools.

i-neda accepts no liability for any financial or other loss arising as a result of this information being incorrect.
